**Dated at Township of North Dundas this the 30th day of November 2011.**

CityLights LP and MightySolar LP, respectfully are planning to engage in two separate and distinct renewable energy projects in respect of which the issuance of a renewable energy approval (REA) is required. The approval is managed by SkyPower Limited on behalf of the proponent. The proponent has received contracts from the Ontario Power Authority (OPA) for the sale of electricity generated by this renewable facility through the Province's Feed-in-Tariff (FIT) program (enabled by the Green Energy and Green Economy Act). The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act* (Act) Part V.0.1 and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

**Meeting Information:**

In order to provide information to and consult with community members, stakeholder groups, First Nation and Métis communities and government agencies, SkyPower Limited is hosting a public meeting. At this information session you will be able to view information on the project, collect handouts, ask questions and provide comments directly to the proponent. This public meeting is a repeat of the public meeting held on August 30, 2011 due to public interest and regulatory requirements.

**DATE: Thursday January 12, 2012**
