

**Renewable Energy Approval
Notice of a proposal to engage in a Renewable
Energy Project
s. 15(1)(a) Ontario Regulation 359/09**

FIRST NOTICE OF A PROPOSAL

**By EarthLight LP, BeamLight LP & GoldLight LP
to Engage in Renewable Energy Projects**

FIRST NOTICE OF FIRST PUBLIC MEETING

**To be held by EarthLight LP, BeamLight LP & GoldLight LP regarding
Proposals to Engage in Renewable Energy Projects**

Project Name: EarthLight solar power project
Project Applicant (Proponent): EarthLight LP
Project Location: The proposed site for the project is located on Old Homestead Road in the Town of Georgina
Dated at the Town of Georgina this the 1st day of December 2011.

Project Name: BeamLight solar power project
Project Applicant (Proponent): BeamLight LP
Project Location: The proposed site for the project is located at the corner of Frog Street and Park Road in the Town of Georgina
Dated at the Town of Georgina this the 1st day of December 2011.

Project Name: GoldLight solar power project
Project Applicant (Proponent): GoldLight LP
Project Location: The proposed site for the project is located on Old Homestead Road in the Town of Georgina
Dated at the Town of Georgina this the 1st day of December 2011.

EarthLight LP, BeamLight LP and GoldLight LP, respectfully are planning to engage in three separate and distinct renewable energy projects in respect of which the issuance of a renewable energy approval (REA) is required. The approval is managed by SkyPower Limited on behalf of the proponent. The proponent has received contracts from the Ontario Power Authority (OPA) for the sale of electricity generated by these renewable facility through the Province's Feed-in-Tariff (FIT) program (enabled by the Green Energy and Green Economy Act). The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act (Act) Part V.0.1* and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Information

In order to provide information to and consult with community members, stakeholder groups, First Nation and Métis communities and government agencies, SkyPower Limited is hosting a public meeting. At this information session you will be able to view information on the project, collect handouts, ask questions and provide comments directly to the proponent. This public meeting is a repeat of the public meeting held on August 31, 2011 due to public interest and regulatory requirements.

DATE: Monday January 16, 2012
TIME: Between 6pm and 8pm
PLACE: Egypt Community Hall 6756 Smith Blvd., Egypt, ON

Project Description:

Pursuant to the Act and Regulation, the facilities, in respect of which the projects are to be engaged in, are Class 3 Solar Facilities. If approved, these facilities would have a total maximum name plate capacity of 10 MW AC each. The project locations are described in the maps. All components will be located within the project boundary areas as shown in the map. These projects are being proposed in accordance with the requirements of the Act and Regulation.

Documents for Public Inspection:

The Draft Project Description Reports describe the proposed projects in detail. Written copies of the Draft Project Description Reports have been made available for public inspection as of **December 1, 2011** on the project's websites: EarthLight www.earthlightsolarpark.com, BeamLight www.beamlightsolar.com and GoldLight www.goldlightsolar.com. The Draft Project Description reports are also available at the Town of Georgina Municipal Office:

Susan Plamondon, CAO
26557 Civic Centre Road, R.R. #2, Keswick, On L4P3G1
Office Hours: Monday to Friday 8:30am to 4:30pm
