

**Renewable Energy Approval  
Notice of a proposal to engage in a  
Renewable Energy Project  
s. 15(1)(a) Ontario Regulation 359/09**

**FIRST NOTICE OF A PROPOSAL**

By LunarLight LP  
to Engage in a Renewable Energy Projects

**FIRST NOTICE OF FIRST PUBLIC MEETING**

To be held by LunarLight LP regarding a  
Proposal to Engage in Renewable Energy Projects

**Project Name:** LunarLight solar power project

**Project Applicant (Proponent):** LunarLight LP

**Project Location:** The proposed site for the project is located on Bethel Road in the City of Belleville.

**Dated at City of Belleville this the 1st day of December 2011.**

LunarLight LP, respectfully is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval (REA) is required. The approval is managed by SkyPower Limited on behalf of the proponent. The proponent has received a contract from the Ontario Power Authority (OPA) for the sale of electricity generated by this renewable facility through the Province's Feed-in-Tariff (FIT) program (enabled by the Green Energy and Green Economy Act). The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act (Act) Part V.0.1* and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

**Meeting Information:**

In order to provide information to and consult with community members, stakeholder groups, First Nation and Métis communities and government agencies, SkyPower Limited is hosting a public meeting. At this information session you will be able to view information on the project, collect handouts, ask questions and provide comments directly to the proponent. This public meeting is a repeat of the public meeting held on August 25, 2011 due to public interest and regulatory requirements.

**DATE: Tuesday January 10, 2012**

**TIME: Between 6pm and 8pm**

**PLACE: Thurlow Community Centre 516 Harmony Road Corbyville, ON, K0K 1V0**

**Project Description:** Pursuant to the Act and Regulation, the facilities, in respect of which the project is to be engaged in a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW AC. The project location is described in the map below. All components will be located within the project boundary areas as shown in the map. These projects are being proposed in accordance with the requirements of the Act and Regulation.

**Documents for Public Inspection:** The Draft Project Description Report describes the proposed projects in detail. A written copy of the Draft Project Description Report has been made available for public inspection as of **December 1, 2011** on the project's websites: [www.lunarlightsolar.com](http://www.lunarlightsolar.com). The Draft Project Description Report is also available at the City of Belleville Municipal Office:
