Dated at the Township of Springwater this the 1st day of December 2011.

RayLight LP is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval (REA) is required. The approval is managed by SkyPower Limited on behalf of the proponent. The proponent has received a contract from the Ontario Power Authority (OPA) for the sale of electricity generated by this renewable facility through the Province's Feed-in-Tariff (FIT) program (enabled by the Green Energy and Green Economy Act). The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act (Act) Part V.0.1* and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

The proposed site for the project is located at the corner of Country Road 27 and Old 2nd North in the Township of Springwater was originally called Aria. This project has now been renamed to RayLight.

Meeting Information:

In order to provide information to and consult with community members, stakeholder groups, First Nation and Métis communities and government agencies, SkyPower Limited is hosting a public meeting. At this information session you will be able to view information on the project, collect handouts, ask questions and provide comments directly to the proponent. This public meeting is a repeat of the public meetings held on September 6, 2011 and October 13, 2011 (under the original project name of Aria LP and the Aria Project) due to project name change, public interest and regulatory requirements.
