FIRST NOTICE OF FIRST PUBLIC MEETING

To be held by SparkleLight LP & DiscoveryLight LP regarding
Proposals to Engage in Renewable Energy Projects

NOTICE OF PROJECT AREA

SparkleLight project area has been reduced in size and DiscoveryLight project area now includes two properties

Project Name: SparkleLight solar power project
Project Applicant (Proponent): SparkleLight LP
Project Location: The proposed site for the project is located at the corner of Concession 7B and Simcoe Street in the Township of Brock.
Dated at Township of Brock this the 1st day of December 2011.

Project Name: DiscoveryLight solar power project
Project Applicant (Proponent): DiscoveryLight LP
Project Location: The proposed site for the project is located on Concession 6B and Regional Road 15 in the Township of Brock.
Dated at Township of Brock this the 1st day of December 2011.

SparkleLight LP and DiscoveryLight LP, respectfully are planning to engage in two separate and distinct renewable energy projects in respect of which the issuance of a renewable energy approval (REA) is required. The approval is managed by SkyPower Limited on behalf of the proponent. The proponent has received contracts from the Ontario Power Authority (OPA) for the sale of electricity generated by these renewable facilities through the Province's Feed-in-Tariff (FIT) program (enabled by the Green Energy and Green Economy Act). The distribution of this notice of a proposal to engage in these renewable energy projects and the projects themselves are subject to the provisions of the *Environmental Protection Act (Act) Part V.0.1* and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

SparkleLight project site was originally proposed as two properties. The project is located on one property at the corner of Concession 7B and Simcoe Street. The original proposed DiscoveryLight project site was one property located on Regional Road 15. The project now includes another property on Concession 6B in the Township of Brock.

Meeting Information:

In order to provide information to and consult with community members, stakeholder groups, First Nation and Métis communities and government agencies, SkyPower Limited is hosting a public meeting. At this information session you will be able to view information on the project, collect handouts, ask questions and provide comments directly to the proponent. This public meeting is a repeat of the public meeting held on August 31, 2011 due to project area changes, public interest and regulatory requirements.

DATE: Tuesday January 17, 2012

TIME: Between 6pm and 8pm

PLACE: Beacon Presbyterian Church 413 Simcoe Street, Beaverton, ON

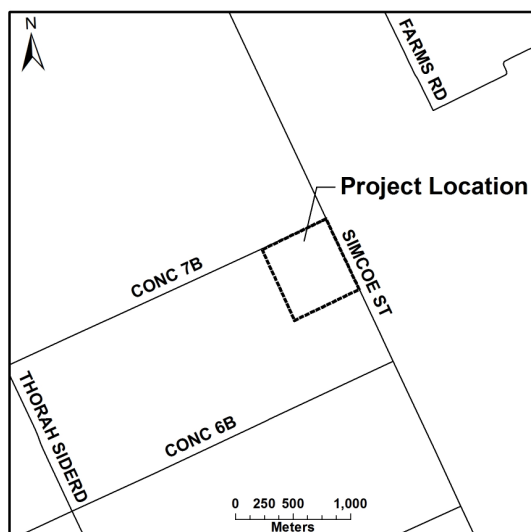

Project Description:

Pursuant to the Act and Regulation, the facilities, in respect of which the projects are to be engaged in, are both Class 3 Solar Facilities. If approved, these facilities would have a total maximum name plate capacity of 10 MW AC each. The project locations are described in the map below. All components will be located within the project boundary areas as shown in the map. These projects are being proposed in accordance with the requirements of the Act and Regulation.
